BARISTA

We are searching for a passionate barista for coffee - beverage preparation, who is committed to providing excellent customer service. The barista will greet customers, answer their questions, take orders and accept payments.

Responsibilities:

- Grinding and blending coffee beans, brewing coffee, tea & drinks
- Interact with customers, take orders & serve snacks & drinks
- Assess customer's needs & preferences & make recommendations
- Restock & replenish items in display cases, behind the counter and keep the working area clean
- Stay guest focused and nurture an excellent guest

Requirements:

- Resume and proven working experience as a barista
- Knowledge of coffee & drinks
- Knowledge of English and a second language is a plus
- Teamwork spirit
- Positive attitude and excellent communication skills

Benefits:

- Competitive remuneration package
- Professional working environment
- Continuous education and training
- Accommodation in long distance hotels
